Aquatic Management

Lifeguard Management Course \$80.00

The Lifeguard Management online course is designed to prepare aquatic professionals to effectively manage lifeguards and help keep patrons, staff and facilities safe. This interactive online course includes video lessons, scenario-based activities and an in-person final exam.

This course requires 2 forms of payment; one will be paid directly to the American Red Cross for the online learning, and the second will be paid directly to us to cover classroom costs.

Certified Pool Operator \$350.00

This course is for participants who will be managing aquatic facilities including overseeing the water chemistry of the pool. The class is for 2 days for a total of 16 hours. This class is taught by an NSPF CPO trained instructor. CEU credits can be obtained from taking this course.

CPR/AED/First Aid Courses

Adult and Pediatric First Aid/CPR/AED (Web-Based/Classroom) \$112.00

This course incorporates the latest science and teaches students to recognize and care for a variety of first aid emergencies such as burns, cuts, scrapes, sudden illnesses, head,

neck, back injuries, heat and cold emergencies and how to respond to breathing and cardiac emergencies to help victims of any age - adults (about 12 years and older) and pediatric (infants and children up to 12 years of age).

Babysitter's Training with Pediatric CPR/First Aid \$116.00

The purpose of the Babysitting Training course is to provide youth who are planning to babysit with the knowledge and skills necessary to safely and responsibly give care for children and infants. This training will help participants to develop leadership skills; learn how to develop a babysitting business, keep themselves and others safe and help children behave; and learn about basic child care and basic first aid.

Basic Life Support with First Aid - r.2019 \$113.00

The American Red Cross Basic Life Support (BLS) course provides participants with the knowledge and skills they need to assess, recognize and care for patients who are experiencing respiratory arrest, cardiac arrest, airway obstruction or opioid overdose. When a patient experiences a life-threatening emergency, healthcare providers need to act swiftly and promptly.

Instructor Courses

Lifeguarding Instructor \$386.00

This course allows lifeguarding instructor candidates to teach American Red Cross

Lifeguarding, Lifeguarding Blended Learning, Shallow Water Lifeguarding, Aquatic Attraction Lifeguarding, Waterpark Skills, CPR/AED for Professional Rescuers and Bloodborne Pathogens Training.

Lifeguarding Instructor Re-entry/Crossover \$252.00

This course is for Lifeguard Instructors and Lifeguard Instructor Trainers who missed the deadline for the Instructor Review course. Candidates must hold a current base level lifeguard certification. Participants will complete an online session prior to their course session which will be emailed separately. Course participants will also be assigned teaching assignments (emailed separately).

Lifeguard Instructor/Instructor Trainer Review \$200.00

This in-person Instructor/Instructor Trainer review course is the required course for all Lifeguarding Instructors and Instructor Trainers to re-certify. Candidates may also choose to attend a brief "test out" session at the end to gain a base level Lifeguarding certification.

Lifeguarding Courses

Lifeguarding/First Aid/CPR/AED (Web-Based/Classroom) \$358.00

The American Red Cross Blended Learning Lifeguarding course provides entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies in water of any depth and to provide care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services personnel take over. Students will be required

to complete assignments online, prior to coming to class, therefore there will be a strict registration deadline.
